

INTERNATIONAL DAYS AT LEGAE ENGLISH MEDIUM SCHOOL (Term 2 -2021)

TERM 2-2021

CELEBRATION	THEME	ACTIVITIES AND CIVVIES	DATE: CELEBRATED AT SCHOOL
World Migratory Bird Day	Migration – 2021 is dedicated to raising awareness of migratory birds and the need for international cooperation to conserve them.	Identify a bird whose numbers are highly endangered and wear a badge (student made) to school with the name of the bird on.	Friday, 07 May 2021
Eid Day	Celebration marking the end of Ramadan (Month of Fasting)	Dress up in green and white. Be kind and do good deeds	Tuesday, 11 May 2021
World Bee Day	Raise awareness of the importance of Pollinators, threats they face and their contribution to sustainable development.	Wear yellow and black and create posters raising awareness of the importance of pollinators in relation to sustainable development.	Thursday, 20 May 2021
Africa Day	This year's celebrations will happen virtually and online due to the massive impact on Covid on the continent and the world under the theme: Silencing the Guns: Creating conducive conditions for Africa's Development and intensifying the Fight against the Covid 19 Pandemic.	Wear African attire Learn about the day and celebrating African unity. The day gives us a chance to reflect on the progress that Africa has made, while also coming together to find solutions to the challenges that we face on the continent.	Tuesday, 25 May 2021
World Environment Day	World Environment Day will be celebrating the theme: Ecosystem restoration and focus on resetting our relation with nature.	Wear civvies: <u>Green colors.</u> Learn about the environment, how to reduce, recycle and re-use products that harm our environment. Make art crafts with reusable and recycled things. Plant something at home in the garden or in a flower pot. Write and talk about it in English class lesson.	Friday, 04 June 2021
World Ocean's Day	The World Oceans Day is a day for humanity to celebrate the ocean. This year's theme is: The Ocean, Life and Livelihoods.	Wear Civvies: Blue Colors Learn about the importance of the ocean. Life found in it and people who depend on it for their livelihood. Relate all this to sustainable use.	Tuesday, 08 June 2021
